WHO IS HOUSEKEEPING AFRICA?

Housekeeping Africa provides cleaning services to help clients prepare their apartments for rentals such as Menlyn Maine Residences and Airbnb. They assist their clients with short and long-term cleaning services.

HOUSEKEEPING AFRICA'S COMMITMENT TO TALENTED EMPLOYMENT

Skills development is a vital tool in empowering people by increasing their chances of future employability. **Housekeeping Africa** is aware of the pivotal role of skills development in the development of people and its knock-on effect on business expansion and ultimately economic growth. In light of this, they are committed to developing South Africans. They employ local women and train them to assist with cleaning apartments. These apartments are then rented out, which gives the hospitality industry in the area, a much-needed boost.

THE STORY OF SIGNA & HOUSEKEEPING AFRICA

Housekeeping Africa is committed to creating sustainable work opportunities for South Africans and have partnered with **Signa Trust** to host 3 candidates to develop their skills, through a NQF level 1 qualification in Covid-19 Cleaning & Hygiene, which assists businesses in complying with Covid-19 Health & Safety regulations. They are so proud to announce that these ladies have been absorbed into permanent employment position and looking forward to hosting more candidates in the near future.

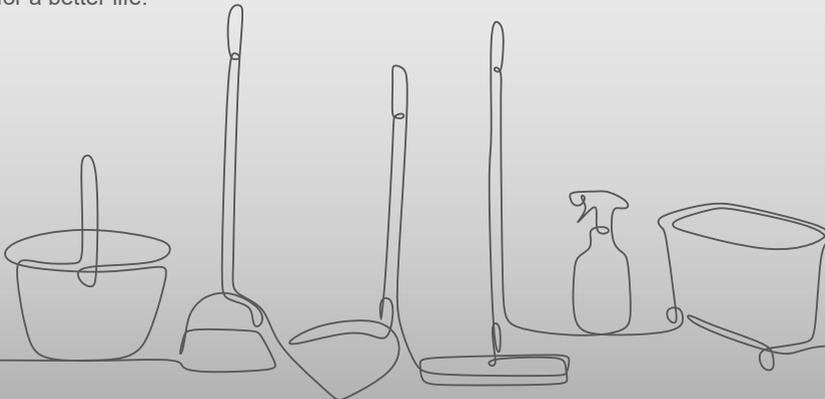

HOUSEKEEPING AFRICA & THEIR CANDIDATES

MEET ALETTA

“**Signa** has given me hope, with the opportunity to study a 12-month learnership, after ten years of looking for employment” describes a determined woman.

“My advice to others is to focus, work hard, keep on learning and don't mess up the opportunities given to you”. Aletta has since been absorbed into **Housekeeping Africa** in a permanent post and expresses unwavering appreciation to **Signa** and her employer.

She plans to use her newfound knowledge about cleaning and hygiene within her role and wishes to pay the **Power of One** forward by encouraging others to continue having faith and hope for a better life.

MEET LENA H

“My life has changed a lot because I now have knowledge of the importance and understanding of cleaning and hygiene.”

Lenah was working as a cleaner when her employer referred her to **Signa**. “I am so grateful to **Signa** and **Housekeeping Africa** for this opportunity, it means a lot to me”.

Lenah’s aspirations for the future are to open her own cleaning company and wishes to pay the **Power of One** forward by helping others to gain the much-needed knowledge involved with cleaning and hygiene post Covid-19. Her advice to others is: “Don’t settle, always better yourself”.

MEET MALEBO

“**Signa** means a lot to me because they gave me this opportunity to learn about the importance of cleaning and hygiene” expresses a driven woman.

“I was able to learn and earn a stipend, which really helped me, and my family get by”. **Signa** has given me hope and confidence to preserve even through challenging times.

Her advice to others is to “*grab any opportunity to learn with both hands*” and expresses her plans for the future involve getting a promotion and being a loyal employee.
